Teachers Day

05/09/2023

In India 5th September is celebrated as Teachers' Day as a mark of tribute to the contribution made by teachers to the society. And the Student council of Symbiosis School of Planning, Architecture and Design celebrated Teacher's Day with zeal and zest. There was an unusual excitement amongst the students who turned the atmosphere of the institute into joyful. Students were planned various activities for the teachers in the second half where dance, music, skits and the most exciting activity that that they planned was treasure hunt. A event started with the welcome dance by the students for the faculty. A various group performances of dance were also performed by the students and also involved the teachers too to bring them from their teaching mode to celebration mode. Various singing performance were also performed by the students which completely transformed the aura of the foyer and everyone were in the flow of the performances. A small activity of treasure hunt was planned for the faculty along with students where all the faculty group were divided in 4 major groups and the student's representative were also part of these groups. The task for the treasurer hunt was to find the trophy with the help of various clues. The excitement level was very high for the last activity and all the teachers along with their group members started finding various clues to get the trophy. Finally one group were abled to decode the clued and completed the task and awarded with trophy which was designed by the students for the winner group. At the end the Director of SSPAd Dr. Nandini Kulkarni thanked the students on behalf of all the teaching staff for organizing such an enthusiastic and enjoyable event where everyone enjoyed at their fullest.
