Foreword

Internship & Placements

The Internship and Placement Cell at Symbiosis School of Planning, Architecture, and Design, Nagpur, has dedicatedly organized placement drive for 4th-year B.Des. and 6th year of B.Arch respectively. Under the guidance of Officiating Director Dr. Nandini Kulkarni, along with faculty members Dr. Purva Mange and Mr. Pritam Paraye, the cell orchestrates events to provide industry exposure to students annually. These opportunities play a pivotal role in enhancing students' skills and opening new avenues for their professional growth.

After the Summer Internship program, a mandatory academically credited course, holding four credits. Students from all disciplines naming **Graphic Design, User Experience Design, Product Design, and Interior Space Design** undergo two months of summer internships at diverse locations across the country.

The placement drive for the batch of 2020-24 witnessed 90% of students securing job placements, and remaining 10% students are still in the process.

Through these initiatives, Symbiosis School of Planning, Architecture, and Design, Nagpur, has successfully collaborated with various organizations, industries, design studios, architectural firms, and craft clusters. Some notable collaborations include **GRELLA Industries, Arc Architectural Interior Designing, Studio Adroit Architects, Solitary Spaces, Danamojo, Satva Harvest, Xable India, Maniams, Apoorva Engineering, Doodle Insticts,, Eimor Customs, Wesually Design Studio, Studio Lore, Onlighten Media, Studio abd, Stic Soft Solution, Navigators Software, Uniworks Designs, Technum Opus, Digital Advantage and Godrej Properties**, among many.

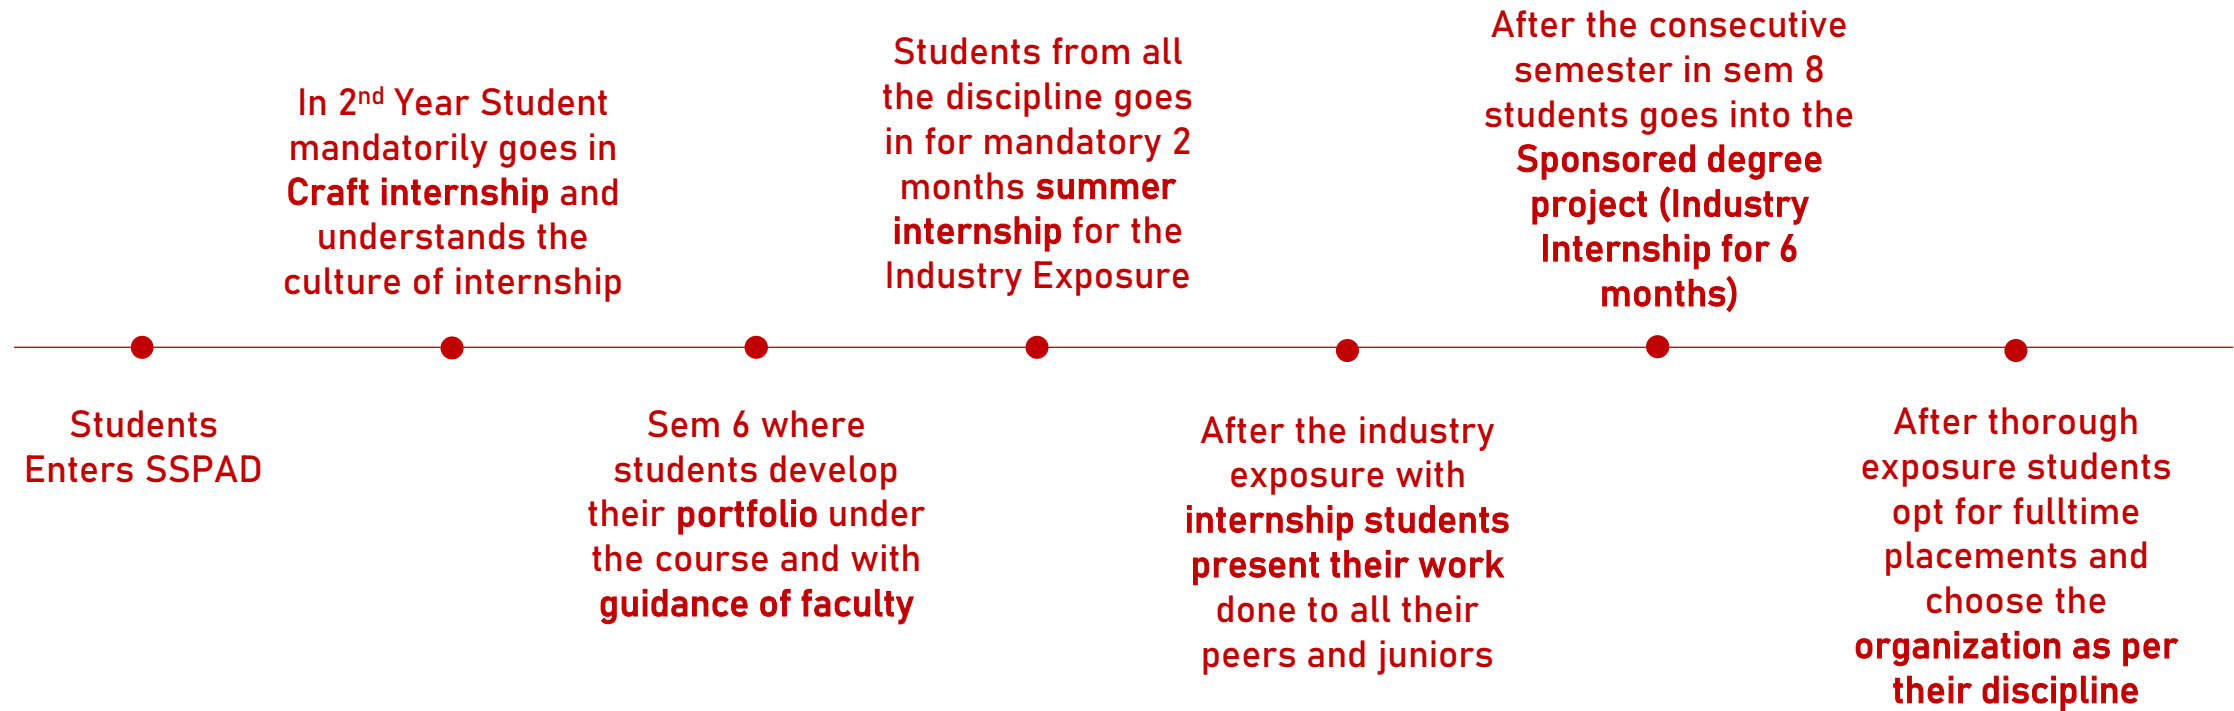

The placement programs have not only fulfilled their objectives but have also achieved remarkable success. Several students have been recognized by their organizations, leading to sponsored projects and full-time job opportunities. Many students have executed successful projects, earning accolades from their clients, while those who opted for job placements are thriving in their respective roles and are eager to continue their professional journey.

Director's Message

The placement for the B.Des Batch of 2020-24 and B. Arch. Batch 2019-24 is a testament to placement that has taken place in the academic year 2023-24, SSPAD successfully achieved a great event for the students.

The trust that our esteemed recruiters place in the talent pool at SSPAD was reinforced during the placements, with the students showcasing their potential and proving to be a good fit for the roles offered in various domains.

I express my gratitude to all our industry experts for mentoring our students through guest lectures and preparatory sessions. I am grateful and appreciate the contributions of the members of the Placement Team towards the success of the final placement season this year.

I strongly believe that SSPAD Nagpur will continue to add to the glory of Symbiosis in the coming years.
