Report on

STUDY TOUR

(Nagpur – Pune – Nagpur)

(26th March - 30th March 2024)

Symbiosis School of Planning Architecture and Design (SSPAD) Nagpur conducted a study tour in the month of March 2024. The study tour was planned for students of 6th semester B. Design to visit Pune (Maharashtra) from 26th March 2024 to 30th March 2024. The main objective was to interact with various design studios and to understand the various stages involved in the design development of physical and digital products. Also, getting exposure to emerging technologies like eye-tracking devices, modern manufacturing materials, and techniques and was involved with discussion sessions on internships, job opportunities and entrepreneurship in the design industry. A total no. of 49 students from the B. Design programme (2021-25 batch) along with 3 faculty members and 1 co-ordinator were part of the educational tour.

The study tour was managed by BLUE-WINGS under the guidance of Dr. Nandini Kulkarni, Director, SSPAD, Nagpur.

Day wise Schedule

Day 1: 26 March 2024

The journey started from Ajni Railway station, Nagpur. All students and faculties gathered at the railway station well ahead of departure time and boarded the train with enthusiasm. The journey started on 26th March 2024 at 7:50 pm night from Nagpur.

6:00 PM	Gathering at Ajni Railway station, Nagpur
7:50 PM	Departure from Nagpur (Ajni – Pune express)

Established under Section 3 of the UGC Act, 1956

Re-accredited by NAAC with 'A++' Grade (3.56/4) | Awarded Category - I by UGC

Founder : Prof. Dr. S. B. Mujumdar, M. Sc., Ph. D. (Awarded Padma Bhushan and Padma Shri by President of India)

2. Indi Design Pvt. Ltd (Graphics & Interior Design)

Day 3: 28 March 2024

On day 3, students visited Symbiosis International University (SIU), Lavale campus. Students visited the Symbiosis Centre for Business Studies (SCBS) and interacted with research faculties. They had hands-on experience of using futuristic Visual Tracking devices under expert guidance in the computer labs while performing the planned assignment. In the post-lunch session students had an interactive session with experts from Symbiosis Centre for Entrepreneurship and Innovation (SCEI). Students also visited futuristic manufacturing labs consisting of new-age 3D printers. Overall session guided students to bring their ideas from an idea to a working prototype along with their business potential.

The evening sessions consisted of visits to Design firms in Pune city as per groups divided. A group consisting of Product design and UX design students visited Peepal Design Pvt.Ltd, Pune. An interactive session with designers from Peepal Design consisted of the presentation of projects successfully executed and the design process and various strategies followed. Another group of students consisting of Graphic Design and Interior Space Design students visited the architectural design studio CCBS Design Pvt. Ltd. by renowned Architect Christopher Charles Benninger. An interactive

session was conducted giving the students a glimpse of sustainable architectural and graphic design practices.
